BRIEF HISTORY OF THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS

Indianapolis was established as a town in 1821. It was at this time that a commission, appointed by the legislature, selected this location as a site for a seat of government of the State of Indiana.

The town of Indianapolis conducted its affairs pursuant to the general laws of the state until 1832. In this year the town was incorporated and was governed by a board of five trustees.

In 1838, pursuant to a special act of the legislature, Indianapolis was re-incorporated and placed in the hands of its first town council composed of a president and six members.

The common council continued in a large measure to control the affairs of Indianapolis as a town and as a city under various so-called charters or grants of the legislature until 1891.

Under a special act of the legislature of 1891 for the city of Indianapolis, a somewhat different form of government was established. While the council continued to exercise broad control over the city's affairs, various executive departments of the city were provided, such as Public Works, Public Safety, Public Parks and Public Health, conducted by boards appointed by the Mayor. These boards were granted specific powers and duties concerning the city's business previously exercised by the council through committees, subject, however, in some cases, to approval of the council. The establishment of tax levies and the appropriation of funds is still controlled by the Common Council.

For some time prior to 1891 the City of Indianapolis was divided into 25 wards represented by 25 ward councilmen. Their term of office was two years and they were eligible for re-election. At this time there was also a separate body operating in conjunction with the council called the Board of Aldermen, composed of ten Aldermen, representing five Aldermanic districts, two being elected from each district.

Under the 1891 act the Board of Aldermen was abolished and a common council of 21 members was established. Fifteen members

were elected to represent 15 wards and six members were elected to represent the city at large.

This form of council continued to exist in Indianapolis under the general cities and towns act of 1905. The act of 1905, while often referred to as the Indianapolis Charter, is very largely a re-enactment of the 1891 Indianapolis charter, modified to make the Indianapolis system applicable to all classes of cities of the state. The 1905 law increased the term of Mayor and councilmen to four years and prohibited re-election.

In 1909 a novel councilmanic law for Indianapolis alone was passed by the legislature. This law limits the number of councilmen to nine. The law provides for the nomination by each party of six candidates, one from each of six councilmanic districts. In the election all of the voters of the city may vote for any nine candidates and the nine receiving the highest number of votes are elected. This law insures a minority representation in the Council of at least three members.

It is of interest to persons who have delved into the history of Indianapolis that the oldest City record in existence is an ordinance book of the Common Council of the Town of Indianapolis covering the years 1839 to 1857.

The building in which the Council held its meetings was destroyed by fire in 1851, together with nearly all the books and papers belonging to the Corporation. All the records of the Council previous to the year 1839 were destroyed. This record of 1839 is now in possession of the City Clerk.

(As Amended)

AN ORDINANCE providing for certain additional items in certain funds of the 1944 budget for the Division of City Civil Engineer, Department of Public Works of the City of Indianapolis, Indiana, as shown by General Ordinance No. 62, 1943; appropriating the necessary amount of Four Thousand Eight Hundred Seventy-Seven Dollars (\$4,877.00), therefore, as of January 1, 1944, by transferring, re-appropriating, and re-allocating thereto a part thereof as of January 1, 1944, from monies already provided in said budget for a certain other item in Fund No. 11-8 of said division and department, and by providing the balance of Three Thousand, Two Hundred Ninety-Nine Dollars and Thirty-Cents; therefore by appropriating same, as of January 1, 1944, from the estimated, anticipated, and unappropriated 1944 balance of the Gas Tax Fund of said City; and fixing a time when the same shall take effect.

Respectfully yours,

ROBERT H. TYNDALL,
Mayor.

January 6, 1944.

To the Honorable President and
Members of the Common Council of
the City of Indianapolis.

Gentlemen:

I am returning to you herewith without my signature, within ten days after their receipt by me, Appropriation Ordinances numbered 87, 88 and 89, 1943. My objections to each of the above mentioned ordinances are as follows:

1. Each of said ordinances makes an appropriation from Gas Tax Funds, when in my opinion such appropriation should be made from the City General Fund.
2. The total of these appropriations is the sum of \$111,088.97 to be paid out of approximately \$130,000.00 of Gas Tax Funds estimated to be available for street maintenance and repair for the year of 1944.
3. Should these appropriations be made out of Gas Tax Funds, a balance of only \$18,911.03 would remain for street repair and maintenance out of the 1944 Gas Tax Fund.
4. There is a 1943 unexpended balance of Gas Tax Funds in the sum of \$28,000.00 in the street repair fund, which added to the foregoing sum of \$18,911.03 would constitute a fund of \$46,911.03 for street repairs and maintenance during 1944. As the City Engineer estimates that the maintenance, repair and resurfacing program for 1944 will cost at least \$120,000.00 there would therefore be a shortage of approximately \$83,088.97 to carry out the 1944 program on the maintenance, repair and resurfacing of streets within the City of Indianapolis.

5. These ordinances appropriate funds for certain salaries and wages mentioned in each ordinance. I feel that the primary intent of the law making grants of Gas Tax money to municipalities is that such funds be used first for the repair and maintenance of streets. I also feel that where there are insufficient funds, as in this case, that the Gas Tax Funds should be permitted to remain intact for use for street repairs, maintenance and resurfacing and that wages and salaries should be met out of the City General Fund.
6. The City Controller, who is in charge of the City's fiscal affairs and on whom rests the responsibility of determining from what funds certain expenditures shall be made, requested that these ordinances be drawn so that these appropriations would be made out of the City General Fund. These ordinances were so drawn and introduced, but were amended by the Council to provide that the appropriations be made out of the Gas Tax Funds as above stated.

Respectfully,

ROBERT H. TYNDALL,
Mayor.

COMMITTEE REPORTS

Indianapolis, Ind., February 21, 1944

To the President and Members of the Common Council
of the City of Indianapolis, Indiana.

Gentlemen:

We, your Special Committee composed of Manly, Chairman; Kealing and Jordan, to whom was referred Appropriation Ordinance No. 84, 1943, concerning the codification of city ordinances; also related General Ordinance No. 85, 1943, beg leave to submit the following report and recommendation:

Since the passage of said General Ordinance No. 85, this committee has given careful consideration to the said appropriation ordinance together with other suggested matters pertinent to both of said ordinances.

When the matter of a codification of ordinances was proposed by the City Clerk he suggested that a compilation of statutes affecting the City of Indianapolis be also included. This suggestion was made because of the numerous amendments to the Cities and Towns law and the many supplemental acts making it difficult for anyone to readily ascertain the law. At that

time this proposal received the hearty approval of the city legal department.

Your committee now believes that the inclusion of a compilation of the statutes would not only be of great benefit to the city administration and to the public but would result in a larger sale of the publication, and at a much higher price.

Your committee therefor recommends that Appropriation Ordinance No. 84, 1943 be stricken from the files of this Council; that General Ordinance No. 85, 1943 be repealed and that a new and more comprehensive ordinance be introduced to take its place.

WHEREAS, it is deemed necessary for the welfare of the general public and for the convenience of the officials of the City of Indianapolis, in the exercise of their official duties, that there be a revision, codification and publication of all of the ordinances of the City of Indianapolis; NOW, THEREFORE

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That, pursuant to all of the general statutory powers of the Common Council of said city, a general and complete revision, codification and publication of all of the existing ordinances of the City of Indianapolis should be and the same is hereby ordered. When finally completed and introduced for adoption as a General Ordinance, the matter shall be designated as "Municipal Code of 194.... of the City of Indianapolis."

Section 2. That the City Clerk of the City of Indianapolis, in his statutory position as Clerk of this Council and the legal custodian of its ordinances, is hereby authorized, empowered and directed to exercise general supervision, control and responsibility for said revision, codification and publication of said ordinances.

Section 3. Said City Clerk, after the appropriation herein provided for becomes effective, is hereby authorized and directed to select and employ, at the expense of the city, four qualified lawyers for the work of such revision and codification, who shall be known and designated as "The Codification Commission of 1944."

Section 4. After said lawyers shall have been selected by said Clerk and shall have accepted such employment they, as such commission, shall select one of its members to act as chairman. The said chairman shall be responsible for the allotment of the work incident thereto; for arrangements as to time and place for such work and for the constant faithful performance of such duties to the end that such work of revision and codification may be properly executed and completed within the shortest possible time.

Section 5. It shall be the duty of said commission to examine all ordinances of the Common Council ordained subsequent to the passage of the Municipal Code of 1925, together with the Municipal Code of 1925 and to determine which ordinances and parts thereof are still in full force and effect; to remove any conflicting provision; to delete or re-write any provisions which are clearly void or unconstitutional; to combine similar provisions dealing with the same subject matter; to examine model ordinances and ordinances in effect in other municipalities; to consider recommendations from various departments of the city and other proper sources with respect to changes therein or additions thereto and new matter in need of regulation, to the end that said commission may submit to the Common Council a proposed modern and unified code of all such ordinance material which may be of general interest and which may tend to facilitate the execution of all proper functions of government by the various departments of the city for adoption. It shall further be the duty of said commission to prepare introductory and appendix matter to accompany the municipal code, such as a complete index of the respective provisions of the code; indexes to any classes of special or general ordinances still in full force and effect but which are not of such character as to be embodied in the code proper, and any duly adopted rules or regulations of any boards which said commission may deem advisable to include, and any other matter which said commission determines proper. Said commission shall also insert **references** to statutory authority and decisions of the Supreme and Appellate court pertinent to any of the ordinance provisions. It shall further be the duty of said commission, together with the City Clerk,

to consider the matter of so arranging the material of the code that the City Clerk may publish periodical supplements thereto, causing the said code to continue current; to be, at all times, a reference of value and not requiring the expenditure of other money for frequent codifications. It shall be the duty of the City Clerk, at the customary time of printing the council proceedings, to cause to be printed a sufficient number of extra copies of such ordinances passed, in suitable form, as may be needed for assembling such supplements.

Section 6. It shall be the duty of the City Clerk, during the progress of the work, to seek all available information and advice concerning the proper and most suitable manner of publication of said codification, the number of copies to be published, how distributed and the price for sale. He shall take into consideration the possible advantage of the publication in more than one separate volume for the different classes of ordinances, such as, General, Special, Building, Zoning, Traffic and any other classification, and shall determine whether thereby the convenience of the public and officials would be best served, the cost of the publication be reduced and the revenue to the city from the sale thereof be increased, and he shall report his findings thereon to the Council.

Section 7. The total amount of compensation to be paid to each of said lawyers shall not exceed Fifteen Hundred Dollars (\$1,500.00), except that the chairman of said commission shall be paid in addition thereto the sum of Three Hundred Dollars (\$300.00) for the additional duties and responsibilities herein specified, to be paid on vouchers of the City Clerk in the same manner that other vouchers are issued and paid for other expenses of the city. Such compensation shall be paid at the rate of not exceeding One Hundred Dollars (\$100.00) per month for each lawyer during the conduct of the work, and Twenty-Five Dollars (\$25.00) per month to the chairman in addition thereto, with Three Hundred Dollars (\$300.00) of said compensation being retained for each and paid when the work is completed and accepted and approved by the Common Council.

Section 8. MISCELLANEOUS BUSINESS

Mr. Bowers asked that the following motion be read by the Clerk.

April 3, 1944.

Mr. President:

Whereas, In a letter addressed to the City Controller by the City Corporation Counsel, Sidney S. Miller and a copy thereof submitted to this council, certain questions are raised as to the legality of General Ordinance No. 21-1944, and

Whereas, Notwithstanding the fact that said corporation counsel by letter, some time last year represented the codifications of the City's ordinances to be of urgent necessity and later submitted an emergency appropriation ordinance in connection with another codification ordinance of his own writing, now states that pursuant to law now discovered the appropriation, for the same purpose, now provided for in said general ordinance No. 21, is not such an emergency as contemplated by the statute under Sec. 64-1331 and further quotes wording from a court decision cited, to-wit:

"The provision that the budget as originally adopted, or as modified, shall limit the expenditures for the year, clearly means that it shall limit the purposes for which expenditures may be made, as well as the amount of the expenditures;"

Be It Resolved, That, in view of said opinion said general ordinance No. 21, 1944, be held for further consideration and that all appropriation ordinances now pending before this council be likewise held for further consideration and investigation to determine which of said other ordinances, if any, may also be in conflict with said legal opinion and the statute and case referred to therein.

AGREEMENT

This Agreement of Lease made this 21st day of March, 1944, by and between the City of Indianapolis, a municipal corporation of Marion County, State of Indiana, (hereinafter referred to as "Lessor"), acting by and through its Board of Public Works and Sanitation, with the approval of its Mayor, and

(9) The right to install, maintain and operate, at the expense of the Lessee, such radio, communications, meteorological and aerial navigation equipment and facilities in, on and about the premises herein leased at said Airport as may be necessary or convenient, in the opinion of the Lessee, for its operations; provided, that the location of such equipment and facilities as might interfere with full and proper use of the Airport shall be subject to approval by the Board of Public Works and Sanitation.

(10) In the event that Lessor shall provide, at the written request of Lessee, additional airport facilities of a type or types not now provided or operated by Lessor at said Airport, Lessee agrees to pay a fair proportionate share of the cost of operation and maintenance of such facilities, such share to be determined by agreement of the parties prior to installation of such facilities.

(B) Space in Administration Building. The exclusive use of about six hundred seventy-four square feet of space in the Administration Building, as the same is more particularly set forth and shown on the floor plans attached hereto as a part of Exhibit A, and as outlined in red thereon, for use of Lessee in connection with or incidental to its operation of an air transportation system, such use to include the sale of tickets, accident insurance, manifesting of passengers and cargo, handling of mail, baggage and cargo and the operation of a general traffic, operations, meteorological and communications office.

(C) Public Space in Administration Building. The use by Lessee, its employees, passengers, guests, patrons and invitees,

in common, however, with others, of all public spaces in said Administration Building, as shown in Exhibit A, and all additional public space which may hereafter be made available in said Administration Building or any additions thereto, including its lobby, waiting room, hallways, rest rooms, room for flight personnel and other public and passenger conveniences.

(D) **Parking Space.** The use by Lessee and its employees, in common only with other air transport operators who may be lessees of space at the Airport and their employees, of an adequate vehicular parking space, to be designated by Lessor, located as near as possible to the Administration Building, without charge to Lessee or its employees. The use by Lessee and its passengers (including persons calling for and delivering passengers), in common only with the other air transport operators who may be lessees of space at the Airport and their passengers, of an adequate parking space located as near as possible to said Administration Building, without charge to Lessee or to said passengers.

Provided, however, that such parking space shall be limited to the extent of grounds and space available to Lessor for such purposes; and, provided, further that Lessor shall not be required, except in its own discretion, to furnish parking police or attendants or other police protection for such parking spaces.

(E) **Right of Access, Ingress and Egress.** The full and unrestricted access and ingress to and egress from the premises at the Airport, herein leased and licensed, for Lessee, its employees, passengers, guests, patrons, invitees, suppliers of materials and furnishers of service, its or their aircraft, equipment, vehicles, machinery and other property, without charge to Lessee, or to said persons or property.

ARTICLE II—TERM

Lessee shall have and hold said premises, facilities, rights, licenses and privileges set forth in paragraphs (A) to (E), inclusive, of Article I, for a term of ten (10) years, commencing on the 1st day of April, 1944, and terminating at the end of the 31st day of March, 1954, unless sooner terminated as hereinafter provided.

ARTICLE III—RIGHT TO LEASE PROPERTY

Lessor represents that it has the right to lease said property together with all the facilities, rights, licenses and privileges herein granted, and has full power and authority to enter into this lease in respect thereof.

ARTICLE IV—CHARGES, FEES OR TAXES

Lessor agrees that no charges, fees, licenses, excise or operating taxes, or tolls, other than herein expressly provided, shall be charged or collected by it from Lessee or any other persons, including suppliers of materials or furnishers of services, for the privilege of transporting, loading, unloading, or handling persons, property or mail to, from, into or on said Airport in connection with Lessee's business.

ARTICLE V—RIGHT TO PURCHASE SUPPLIES AND MATERIALS

Lessee shall have the full right of purchasing at said Airport or elsewhere, its requirements of gasoline, fuel, lubricating oil, grease, food and other passenger supplies, and any other materials and supplies from any person or company of its choice, and no charges, fees, taxes, or tolls of any kind, except as herein expressly set forth, shall be charged by Lessor, directly or indirectly, against Lessee or its suppliers for the privilege of using, storing, withdrawing, handling, consuming or transporting the same to, from or on said Airport.

ARTICLE VI—LESSEE'S STORAGE FACILITIES

Lessee may at its own cost and expense erect, install, and maintain on said Airport such adequate storage facilities, excluding hangars, shops and freight sheds as it may determine to be necessary for use in connection with its air transportation operations for gasoline, oil, greases, and any other fuel, and for other supplies and equipment, at convenient locations, whether underground or on the surface, as may be mutually agreed upon by and between Lessor and Lessee, together with the necessary pipes, pumps, motors, filters, racks, housing and other appurtenances incidental to the use thereof. No restrictions shall be placed upon the Lessee as to the architects builders or

contractors who shall be employed by it in connection with the erection of any such storage facility.

Any such storage facility erected or installed by the Lessee pursuant to this Article shall not become a part of the land on, or in, which it is erected, but shall be and remain the property of Lessee.

ARTICLE VII—MAINTENANCE AND OPERATION OF AIRPORT

Lessor agrees to maintain and operate said Airport so as to entitle it to an approved rating by the C.A.A., equivalent to or higher than the one which it now holds, in respect to all operations of Lessee now or hereafter approved by said C.A.A.

It is expressly understood and agreed that the Lessor will keep the public space in the Administration Building in good repair and will provide and supply water and heat (such heating during cold weather to be sufficient to keep the building at a reasonable temperature) for the entire building. The Lessor will also provide adequate electric light for the public space in the said building, but the Lessee will pay for its own electric bulbs or additional fixtures in the exclusive office space occupied by Lessee. The Lessor will furnish janitors and other cleaners necessary to keep the Airport and the public spaces in the Administration Building clean, neat, orderly, sanitary and presentable, together with such personnel as may be necessary to facilitate the use of the Airport and Administration Building and the appurtenances, facilities and services as aforesaid by anyone hereunder entitled to use the same; provided, however, that Lessee shall furnish its own janitor service in respect to the office space exclusively occupied by it, and in addition thereto shall pay for any electric current used by it in the operation of its equipment, pumping facilities, office space, and all other electric current used exclusively by Lessee.

ARTICLE VIII—RULES AND REGULATIONS

Lessee covenants and agrees to observe and obey all reasonable rules and regulations (not in conflict with the provisions hereof) which may from time to time during the term hereof be promulgated by Lessor, or any of its agencies, for operation of said Airport.

ARTICLE IX—DAMAGE OR DESTRUCTION OF ADMINISTRATION BUILDING

If any property, part or all of which is leased to Lessee, shall be partially damaged by fire or other casualty, but not rendered un-

tenantable, the same shall be repaired with due diligence by the Lessor at its own cost and expense; if the damage shall be so extensive as to render the premises untenable, but capable of being repaired in sixty (60) days, the same shall be repaired with due diligence by the Lessor at its own cost and expense, and the rent payable hereunder shall be proportionately paid up to the time of such damage and shall thence forth cease until such time as the premises shall be in order; and in case such property is completely destroyed by fire or other casualty, or so damaged as to remain untenable for more than sixty (60) days, at the option of the Lessee either; (1) said premises shall be repaired or reconstructed with due diligence by the Lessor at its own cost and expense and the rent payable therefor shall be proportionately paid up to the time of such damage or destruction and shall thence forth cease until such time as the premises shall be put in order; provided, however, that the rent provided herein shall continue and be paid by Lessee on any usable portion of said property, covered by this lease, which has not been damaged by fire or other casualty and the rent on such portion of said property to be proportionately paid; or (2) within ninety (90) days after the time of such damage or destruction and before the said premises shall be put in order and before contract for repair or reconstruction thereof has been signed, the Lessee shall give the Lessor notice of its intention to cancel this lease, or the portion thereof relating to such property, in which case this lease, in its entirety, or the portion thereof relating to such property shall forthwith cease and determine; provided, however, that this lease shall not be cancelled in its entirety by reason of damage by fire or other casualty unless the property covered by this lease shall be damaged to such an extent that none of such property is usable by Lessee, but may be cancelled in part upon that portion of said property which has been so damaged to an extent which renders it unusable by Lessee.

ARTICLE X—CANCELLATION BY LESSOR

In the event that Lessee shall file a voluntary petition in bankruptcy or that proceedings in bankruptcy shall be instituted against it and the Lessee is thereafter adjudicated bankrupt pursuant to such proceedings, or that the court shall take jurisdiction of Lessee and its assets pursuant to proceedings brought under the provisions of any Federal reorganization act, or that a receiver of Lessee's assets shall be appointed, or that Lessee shall be divested of, or be prevented by any final action of any Federal or State Authority from conducting

and operating its transportation system for the carriage of persons, property and mail by aircraft at the Airport, or that Lessee shall fail to perform, keep and observe any of the terms, covenants and conditions herein contained on the part of the Lessee to be performed, kept or observed, the Lessor may give the Lessee notice in writing to correct such condition or cure such default; and, if any such condition or default shall continue for sixty (60) days after the receipt of such notice by the Lessee, the Lessor may, after the lapse of said sixty (60) day period and prior to the correction of or curing of such condition or default, terminate this lease by a twenty (20) day written notice; and the term hereby demised shall thereupon cease and expire at the end of such twenty (20) days, in the same manner and to the same effect as if it were the expiration of the original term.

The acceptance of rental by the Lessor for any period or periods after a default of any of the terms, covenants and conditions herein contained to be performed, kept and observed by Lessee, shall not be deemed a waiver of any right on the part of the Lessor to cancel this lease for such default.

No waiver of default by Lessor of any of the terms, covenants or conditions hereof to be performed, kept and observed by Lessee shall be construed to be or act as a waiver of any subsequent default of any of the terms, covenants and conditions herein contained to be performed, kept and observed by Lessee.

ARTICLE XI—CANCELLATION BY LESSEE

Lessee, in addition to any right of cancellation or any other rights herein given to Lessee, may cancel this lease in its entirety and terminate all or any of its obligations hereunder at any time, by thirty (30) days' written notice, upon or after the happening of any one of the following events:

(A) The failure or refusal of the Civil Aeronautics Authority to continue the right of Lessee to operate into and from said Airport.

(B) The termination of Lessee's obligation or right (imposed by contract or otherwise) to the Federal Government for the carriage of United States air mail to, from or through Indianapolis, Indiana.

(C) The failure or refusal by the Post Office Department, or any other competent governmental authority, to designate the said Airport as the terminal point for Indianapolis, Indiana, for the receiving and dispatching of United States air mail; or the withdrawal of such designation by such governmental agencies.

(D) Issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of said Airport or any part thereof for airport purposes, and the remaining in force of such injunction for a period of at least ninety (90) days.

(E) The breach by Lessor of any of the covenants and agreements herein contained and the failure of Lessor to remedy such breach for a period of ninety (90) days after receipt of written notice of the existence of such breach.

(F) The inability of Lessee to use said premises and facilities continuing for a longer period than sixty (60) days, whether due to any law or order, rule or regulation of any appropriate governmental authority having jurisdiction over the operations of Lessee, or due to war, sabotage, earthquake, or other casualty which is not a result of the negligent acts or negligent omissions of Lessee or its employees.

(G) Any action of the Civil Aeronautics Authority refusing to permit Lessee to operate into, from or through said Airport such aircraft as Lessee may reasonably desire to operate, provided all such aircraft have been approved by the Civil Aeronautics Authority.

No Waiver of Default by Lessee of any of the terms, covenants or conditions hereof to be performed, kept and observed by Lessor shall be construed to be or act as a waiver by Lessee of any subsequent default of any of the terms, covenants and conditions herein contained to be performed, kept and observed by Lessor.

ARTICLE XII—OPTION TO LEASE ADDITIONAL SPACE

The Lessee shall have the right and option at any time, and from time to time during the term hereof, to lease any additional

space at the Airport not necessary to Lessor's operation of the Airport and at the time not leased to others, whether such space is adjacent to the space leased hereunder or otherwise, upon such terms and conditions as may be agreed upon at such time by Lessor and Lessee.

ARTICLE XIII—COVENANT NOT TO GRANT MORE FAVORABLE TERMS

Lessor covenants and agrees not to enter into any lease, contract or agreement with any other scheduled air transport operator, with respect to the Airport, containing more favorable terms than this lease or to grant any other scheduled air transport operator, rights, privileges or concessions with respect to the said Airport which are not accorded to the Lessee hereunder, unless the same terms, rights, privileges and concessions are concurrently made available to the Lessee.

ARTICLE XIV—QUIET ENJOYMENT

Lessor agrees that, on payment of the rent and performance of the covenants and agreements on the part of the Lessee to be performed hereunder, Lessee shall peaceably have and enjoy the leased premises and all the rights and privileges of said Airport, its appurtenances and facilities, as provided in this lease.

ARTICLE XV—SURRENDER OF POSSESSION

Lessee agrees to yield and deliver to Lessor possession of the premises exclusively leased herein at the termination of this lease, by expiration or otherwise, or of any renewal or extension hereof, in good condition in accordance with its express obligations hereunder, except for reasonable wear and tear, fire or other casualty, Lessee shall have the right at any time during said term, or any renewal or extension thereof, or within thirty (30) days after such termination, to remove all fixtures and equipment and any other personal property installed or placed by it at its expense, in, on or about the premises herein leased without restriction whatsoever; subject, however, to any valid lien which Lessor may have thereon for unpaid rents or fees, provided, that Lessee shall tender reason-

able compensation to owners of any property rightfully on the premises which may be substantially injured or destroyed by such removal; provided, that Lessee, in the removal of any such property, shall not in any unreasonable way interfere with the operation of the Airport.

ARTICLE XVI—AIRPORT RESPONSIBILITY

The Lessee, under the terms of this agreement, will not be in control or possession of said Airport (except as to the parts thereof leased exclusively to Lessee), and Lessee does not assume responsibility for the conduct or operation of the said Airport or for the physical or other conditions of the same, not due to Lessee's own negligent acts or negligent omissions.

ARTICLE XVII—INSURANCE

Lessee now has and expects to maintain throughout the life of this agreement commercial liability insurance or self-insurance in the following minimum amounts: \$40,000.00 per person; \$100,000.00 per accident; \$50,000.00 property.

ARTICLE XVIII—CIVIL AERONAUTICS AUTHORITY

Whenever the term "Civil Aeronautics Authority," (C.A.A.) is used in this lease, it shall be construed as referring to the Civil Aeronautics Authority created by the Federal Government under the Civil Aeronautics Act of 1938, or to such other agency or agencies of the Federal Government having from time to time similar jurisdiction over the Lessee or its business.

ARTICLE XIX—ASSIGNMENT OF LEASE

Lessee shall not at any time assign this lease or any part thereof, without the consent in writing of Lessor; provided, however, that Lessee may assign this lease upon written notice to Lessor without such consent to any corporation with which Lessee may merge or consolidate or which may succeed to the business assets or any substantial part thereof of the Lessee.

ARTICLE XX—NOTICES

Notices to the Lessor provided for herein shall be sufficient if sent by registered mail, postage prepaid, addressed to the Board of Public Works and Sanitation of the City of Indianapolis, Indiana, with copy to Superintendent of Airport, and notices to the Lessee, if sent by registered mail, postage prepaid, addressed to the Lessee, at, 100 East 42nd Street, New York, N. Y., or to such other respective addresses as the parties may designate in writing from time to time.

ARTICLE XXI—RENTALS AND FEES

For 674 square feet of floor space used exclusively by Lessee in the Administration Building, as shown on the floor plans attached hereto as a part of Exhibit "A", and for such other exclusive space as Lessee may have as shown on Exhibit "A", Lessee shall pay to Lessor the following rental:

Two Dollars (\$2.00) per square foot per annum for floor space on the main floor of the Administration Building;

One Dollar and Fifty Cents (\$1.50) per square foot per annum for floor space on the second floor of the Administration Building;

Fifty Cents (\$.50) per square foot per annum for store-room space, wherever located.

From and after the date hereof, and for and during the first five (5) years of the term of this lease, viz: From April 1, 1944, to March 31, 1949, Lessee shall pay to Lessor a fee each calendar month with respect to each of Lessee's scheduled trip arrivals at said Airport, as follows:

- (1) For each of the first two scheduled trip arrivals, per month.....\$100.00
- (2) For each of the next two scheduled trip arrivals, per month.....\$ 75.00
- (3) For each of the next six scheduled trip arrivals, per month.....\$ 50.00

- (4) For each additional scheduled trip arrival, per month\$ 25.00

From April 1, 1949, to the day of the termination of this lease, Lessee shall pay to Lessor a fee each calendar month with respect to each of Lessee's scheduled trip arrivals at said airport as follows:

- (1) For each of the first two scheduled trip arrivals, per month.....\$110.00
- (2) For each of the next two scheduled trip arrivals, per month.....\$ 82.50
- (3) For each of the next six scheduled trip arrivals, per month.....\$ 55.00
- (4) For each additional scheduled trip arrival, per month\$ 27.50

The time table of the Lessee in effect for each current month shall be the sole basis for determining the number of such scheduled trip arrivals during such month and no account shall be taken of schedule changes made during the month, the actual number of trip arrivals or aircraft landings occurring during the month, flight cancellations, extra sections flown (not regularly operated as sections of regular schedules), courtesy, test, inspection or non-revenue flights. The number of trips shown on the face of the time table as scheduled to arrive at said Airport shall be the number of trips for which the monthly payment shall be made, without regard to the number of days on which trips are scheduled to arrive, provided, however, that any schedule regularly operated by Lessee in two (2) or more sections shall be paid for by Lessee as if each of the sections regularly operated were a separate schedule.

For example: If on the face of the time table in effect for a particular month, only two trips are shown as scheduled to arrive at said Airport, one daily and one daily except Sundays, the payment to be made for that entire month would be One Hundred (\$100.00) Dollars for each of the two said scheduled trip arrivals, or a total of Two Hundred (\$200.00) Dollars.

The foregoing shall be applicable to all scheduled trip arrivals on which air craft having licensed standard gross weights of 30,000 pounds each, or less, are scheduled to be operated. With respect to any scheduled trip arrival on which aircraft having a gross weight of

more than 30,000 pounds each are scheduled by the Lessee to be operated, the monthly fee for that scheduled trip arrival shall be increased by One (\$1.00) Dollar for each 1,000 pounds of such excess weight (500 pounds or any larger part of 1,000 pounds to be counted as if a whole 1,000 pounds, and any smaller part to be disregarded). The excess payment is to be computed on the basis of one aircraft.

The term "licensed standard gross weight" for any transport aircraft as used herein shall be the standard gross weight of such air craft as determined by the Civil Aeronautics Authority.

The fees provided in this article shall become due and shall be payable on the 15th day of the month next succeeding that during which such fees may have accrued.

No fees or rentals provided in this article shall be considered past due in any event until ten (10) days after receipt by Lessee of Lessor's written billing therefor.

It is understood that, except for the rentals, charges and fees set forth above, there shall be no rentals, fees, licenses, or other charges, or excise taxes, and no tolls payable by the Lessee to the Lessor for the use of any of the premises, facilities, rights, licenses and privileges granted hereunder, except as otherwise provided in subparagraph 10 of paragraph (A) of Article I and in Article XII of this lease.

ARTICLE XXII—HEADINGS

The article and paragraph headings are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision of this lease.

ARTICLE XXIII—INVALID PROVISION

It is further expressly understood and agreed by and between the parties hereto that in the event any covenant, condition or provision herein contained is held to be invalid by any court of competent jurisdiction, or otherwise appears to both parties to be invalid, the invalidity of any such covenant, conditions or provision shall in no way affect any other covenant, condition or provision herein contained; provided, however, that the invalidity of any such covenant, condi-

tion or provision does not materially prejudice either the Lessor or the Lessee in their respective rights and obligations contained in the valid covenants, conditions or provisions of this lease. This Agreement shall not be in force and effect until the same shall have been executed by a duly authorized officer of Lessee and has been ratified, confirmed and approved by the Common Council of the City of Indianapolis.

ARTICLE XXIV—PERSONAL LIABILITY

Nothing herein contained shall create any personal liability against the Mayor or any member of the Board of Public Works and Sanitation nor against any officers of the Lessee.

IN WITNESS WHEREOF, the parties hereto have executed these presents, as of the day and year first above written.

AN ORDINANCE ratifying, confirming and approving a certain lease agreement made and entered into on the 21st day of March, 1944, by and between the City of Indianapolis, acting by and through its Board of Public Works and Sanitation, with approval of its Mayor, as Lessor, and Transcontinental and Western Air, Inc., a corporation organized and existing under and by virtue of the laws of the State of Delaware, with its principal place of business at 101 West 11th Street, Kansas City, Missouri,

as Lessee, wherein the City of Indianapolis has demised and leased to said corporation certain premises and facilities, rights, licenses and privileges, and in connection with the property and improvement of Lessor, known as the Weir Cook Airport, which are more particularly described and set out in said lease; and upon the terms, conditions and provisions provided in said lease; and fixing a time when the same shall take effect.

WHEREAS, heretofore, to-wit: on the 21st day of March, 1944, the City of Indianapolis, by and through its Board of Public Works and Sanitation, with the approval of its Mayor, entered into a certain lease agreement with the Transcontinental and Western Air, Inc., which said lease agreement is in the following words and figures, to-wit:

AGREEMENT

This Agreement of Lease made this 21st day of March, 1944, by and between the City of Indianapolis, a municipal corporation of Marion County, State of Indiana, (hereinafter referred to as "Lessor"), acting by and through its Boards of Public Works and Sanitation, with the approval of its Mayor, and

TRANSCONTINENTAL AND WESTERN AIR, INC.,

a corporation organized and existing under and by virtue of the laws of the State of Delaware, (hereinafter referred to as "Lessee"), with its principal place of business at, 101 West 11th Street, Kansas City, Mo.

WITNESSETH:

WHEREAS, the Lessor is the owner and operator of Weir Cook Airport, in Marion County, Indiana; and,

WHEREAS, Lessee is engaged in the business of transporting persons, property and mail by air, and Lessor desires to lease and grant, and Lessee desires to hire and obtain, certain premises and facilities on said Airport, together with certain rights, licenses and privileges thereon;

NOW, THEREFORE, the parties hereto, for and in consideration of the rents, covenants and agreements contained herein, agree as follows:

ARTICLE I—PREMISES

Lessor does hereby demise and let unto Lessee, and Lessee does hereby hire and take from Lessor, the following premises and facilities, rights, licenses and privileges on and in connection with the property and improvements of Lessor known as the Weir Cook Airport, as more particularly hereinafter set forth:

(A) **Use of Airport.** The use (in common with other duly authorized users) of said Airport and appurtenances, together with all facilities, improvements, equipment and services which have been or may hereafter be provided at or in connection with said Airport from time to time, subject to rules and regulations as provided in Article VIII herein, which use shall include:

(1) The operation of a transportation system by aircraft for the carriage of persons, property, freight, express and mail (hereinafter referred to as "Air Transportation"), including all activities reasonably necessary to such operation.

(2) The repairing, maintaining, conditioning, servicing, parking or storage of aircraft or other equipment owned or operated by Lessee; provided, however, that this paragraph shall not be construed to require Lessor to make available hangar space.

(3) The training at the Airport of personnel actually in the employ of or to be employed by Lessee, and the testing of aircraft and equipment owned or operated by Lessee; it being understood that such training and testing shall be incident to the use of the Airport in the operation by Lessee of its air transportation system.

(4) The right from time to time, but not as a regular course of business, to sell and dispose of Lessee's aircraft, engines, accessories, and other equipment or supplies, gasoline, oil, lubricants or other fuel, insofar as same may be incidental to Lessee's operation of an air transportation system, but not otherwise, it being expressly understood and agreed that this sub-section shall not be construed as authorizing the conduct of a separate business by Lessee, provided, however, that Lessee shall not sell or dispose of gasoline or other fuel except in emergencies where fuel of the type required is not available from the fuel concessionaire at the airport.

(5) The servicing by Lessee or by its suppliers, of aircraft or other equipment owned or operated by Lessee by truck or otherwise, with gasoline, oil, greases and any other fuel or other supplies required by Lessee.

(6) The landing, taking off, parking, loading and unloading of aircraft or other equipment owned or operated by Lessee.

(7) The right to load and unload persons, property, freight and express and mail at said Airport by such motor vehicles or other means of conveyance as Lessee may desire or require in the operation of its air transportation system, with the right to designate the particular carrier, or carriers, who shall or may transport Lessee's passengers and cargo to and from the Airport.

(8) The right to install and operate a reasonable number of identifying signs on the leased premises, the general type, design and location of such signs to be subject to the written approval of the Board of Public Works and Sanitation.

(9) The right to install, maintain and operate, at the expense of the Lessee, such radio, communications, meteorological and aerial navigation equipment and facilities in, on and about the premises herein leased at said Airport as may be necessary or convenient, in the opinion of the Lessee, for its operations; provided, that the location of such equipment and facilities as might interfere with full and proper use of the Airport shall be subject to approval by the Board of Public Works and Sanitation.

(10) In the event that Lessor shall provide, at the written request of Lessee, additional airport facilities of a type or types not now provided or operated by Lessor at said Airport, Lessee agrees to pay a fair proportionate share of the cost of operation and maintenance of such facilities, such share to be determined by agreement of the parties prior to installation of such facilities.

(B) **Space in Administration Building.** The exclusive use of about **eight hundred thirty-two (832)** square feet of space in the Administration Building, as the same is more particularly set forth and shown on the floor plan attached hereto as a part of Exhibit A, for use of Lessee in connection with or incidental to its operation of an air transportation system, such use to include the sale of tickets, accident insurance, manifesting of passengers and cargo, handling of mail, baggage and cargo, and the operation of a general traffic, operations, meteorological and communications office.

(C) **Public Space in Administration Building.** The use by Lessee, its employees, passengers, guests, patrons and invitees, in common, however, with others, of all public spaces in said Administration Building, as shown on Exhibit A, and all additional public space which may hereafter be made available in said Administration Building or any additions thereto, including its lobby, waiting room, hallways, rest rooms, room for flight personnel and other public and passenger conveniences.

(D) **Parking Space.** The use by Lessee and its employees, in common only with other air transport operators who may be

lessees of space at the Airport and their employees, of an adequate vehicular parking space, to be designated by Lessor, located as near as possible to the Administration Building, without charge to Lessee or its employees. The use by Lessee and its passengers (including persons calling for and delivering passengers), in common only with the other air transport operators who may be lessees of space at the Airport and their passengers, of an adequate parking space located as near as possible to said Administration Building, without charge of Lessee or to said passengers.

Provided, however, that such parking space shall be limited to the extent of grounds and space available to Lessor for such purposes; and, provided, further, that Lessor shall not be required, except in its own discretion, to furnish parking police or attendants or other police protection for such parking spaces.

(E) **Right of Access, Ingress and Egress.** The full and unrestricted access and ingress to and egress from the premises at the Airport, herein leased and licensed, for Lessee, its employees, passengers, guests, patrons, invitees, suppliers of materials and furnishers of service, its or their aircraft, equipment, vehicles, machinery and other property, without charge to Lessee, or to said persons or property.

ARTICLE II—TERM

Lessee shall have and hold said premises, facilities, rights, licenses and privileges set forth in paragraphs (A) to (E), inclusive, of Article I, for a term of ten (10) years, commencing on the 1st day of April, 1944, and terminating at the end of the 31st day of March, 1954, unless sooner terminated as hereinafter provided.

ARTICLE III—RIGHT TO LEASE PROPERTY

Lessor represents that it has the right to lease said property, together with all the facilities, rights, licenses and privileges herein granted, and has full power and authority to enter into this lease in respect thereof.

ARTICLE IV—CHARGES, FEES OR TAXES

Lessor agrees that no charges, fees, licenses, excise or operating taxes, or tolls, other than herein expressly provided, shall be charged or collected by it from Lessee or any other persons, including suppliers of materials or furnishers of services, for the privilege of transporting, loading, unloading, or handling persons, property or mail to, from, into or on said Airport in connection with Lessee's business.

ARTICLE V—RIGHT TO PURCHASE SUPPLIES AND MATERIALS

Lessee shall have the full right of purchasing at said Airport or elsewhere, its requirements of gasoline, fuel, lubricating oil, grease, food and other passenger supplies, and any other materials and supplies from any person or company of its choice, and no charges, fees, taxes, or tolls of any kind, except as herein expressly set forth, shall be charged by Lessor, directly or indirectly, against Lessee or its suppliers for the privilege of using, storing, withdrawing, handling, consuming or transporting the same to, from or on said Airport.

ARTICLE VI—LESSEE'S STORAGE FACILITIES

Lessee may at its own cost and expense erect, install, and maintain on said Airport such adequate storage facilities, excluding hangars, shops and freight sheds as it may determine to be necessary for use in connection with its air transportation operations for gasoline, oil, greases, and any other fuel, and for other supplies and equipment, at convenient locations, whether underground or on the surface, as may be mutually agreed upon by and between Lessor and Lessee, together with the necessary pipes, pumps, motors, filters, racks, housing and other appurtenances incidental to the use thereof. No restrictions shall be placed upon the Lessee as to the architects, builders or contractors who shall be employed by it in connection with the erection of any such storage facility.

Any such storage facility erected or installed by the Lessee pursuant to this Article shall not become a part of the land on, or in, which it is erected, but shall be and remain the property of Lessee.

ARTICLE VII—MAINTENANCE AND OPERATION OF AIRPORT

Lessor agrees to maintain and operate said Airport so as to entitle it to an approved rating by the C.A.A., equivalent to or higher than the one which it now holds, in respect to all operations of Lessee now or hereafter approved by said C.A.A.

It is expressly understood and agreed that the Lessor will keep the public space in the Administration Building in good repair and will provide and supply water and heat (such heating during cold weather to be sufficient to keep the building at a reasonable temperature) for the entire building. The Lessor will also provide adequate electric light for the public space in the said building, but the Lessee will pay for its own electric bulbs or additional fixtures in the exclusive office space occupied by Lessee. The Lessor will furnish janitors and other cleaners necessary to keep the airport and the public spaces in the Administration Building clean, neat, orderly, sanitary and presentable, together with such personnel as may be necessary to facilitate the use of the Airport and Administration Building and the appurtenances, facilities and services as aforesaid by anyone hereunder entitled to use the same; provided, however, that Lessee shall furnish its own janitor service in respect to the office space exclusively occupied by it, and in addition thereto shall pay for any electric current used by it in the operation of its equipment, pumping facilities, office space, and all other electric current used exclusively by Lessee.

ARTICLE VIII—RULES AND REGULATIONS

Lessee covenants and agrees to observe and obey all reasonable rules and regulations (not in conflict with the provisions hereof) which may from time to time during the term hereof be promulgated by Lessor, or any of its agencies, for operation of said Airport.

ARTICLE IX—DAMAGE OR DESTRUCTION OF ADMINISTRATION BUILDING

If any property part or all of which is leased to Lessee, shall be partially damaged by fire or other casualty, but not rendered

untenantable, the same shall be repaired with due diligence by the Lessor at its own cost and expense; if the damage shall be so extensive as to render the premises untenantable, but capable of being repaired in sixty (60) days, the same shall be repaired with due diligence by the Lessor at its own cost and expense, and the rent payable hereunder shall be proportionately paid up to the time of such damage and shall thenceforth cease until such time as the premises shall be in order; and in case such property is completely destroyed by fire or other casualty, or so damaged as to remain untenantable for more than sixty (60) days, at the option of the Lessee either; (1) said premises shall be repaired or reconstructed with due diligence by the Lessor at its own cost and expense and the rent payable therefore shall be proportionately paid up to the time of such damage or destruction and shall thenceforth cease until such time as the premises shall be put in order; provided, however, that the rent provided herein shall continue and be paid by Lessee on any usable portion of said property, covered by this lease, which has not been damaged by fire or other casualty and the rent on such portion of said property to be proportionately paid; or (2) within ninety (90) days after the time of such damage or destruction and before the said premises shall be put in order and before contract for repair or reconstruction thereof has been signed, the Lessee shall give the Lessor notice of its intention to cancel this lease, or the portion thereof relating to such property, in which case this lease in its entirety, or the portion thereof relating to such property shall forthwith cease and determine; provided, however, that this lease shall not be cancelled in its entirety by reason of damage by fire or other casualty unless the property covered by this lease shall be damaged to such an extent that none of such property is usable by Lessee, but may be cancelled in part upon that portion of said property which has been so damaged to an extent which renders it unusable by Lessee.

ARTICLE X—CANCELLATION BY LESSOR

In the event that Lessee shall file a voluntary petition in bankruptcy or that proceedings in bankruptcy shall be instituted against it and the Lessee is thereafter adjudicated bankrupt pursuant to such proceedings, or that the court shall take jurisdiction of Lessee and its assets pursuant to proceedings brought under the provisions of any Federal reorganization act, or that a receiver of Lessee's assets shall be appointed, or that Lessee shall be divested of, or be prevented by any final action of any Federal or State authority from conducting and operating its transportation system for the carriage of

persons, property and mail by aircraft at the Airport, or that Lessee shall fail to perform, keep and observe any of the terms, covenants and conditions herein contained on the part of the Lessee to be performed, kept or observed, the Lessor may give the Lessee notice in writing to correct such condition or cure such default; and, if any such condition or default shall continue for sixty (60) days after the receipt of such notice by the Lessee, the Lessor may, after the lapse of said sixty (60) day period and prior to the correction of or curing of such condition or default, terminate this lease by a twenty (20) day written notice; and the term hereby demised shall thereupon cease and expire at the end of such twenty (20) days, in the same manner and to the same effect as if it were the expiration of the original term.

The acceptance of rental by the Lessor for any period or periods after a default of any of the terms, covenants and conditions herein contained to be performed, kept and observed by Lessee, shall not be deemed a waiver of any right on the part of the Lessor to cancel this lease for such default.

No waiver of default by Lessor of any of the terms, covenants or conditions hereof to be performed, kept and observed by Lessee shall be construed to be or act as a waiver of any subsequent default of any of the terms covenants and conditions herein contained to be performed, kept and observed by Lessee.

ARTICLE XI—CANCELLATION BY LESSEE

Lessee, in addition to any right of cancellation or any other rights herein given to Lessee, may cancel this lease in its entirety and terminate all or any of its obligations hereunder at any time, by thirty (30) days' written notice, upon or after the happening of any one of the following events:

(A) The failure or refusal of the Civil Aeronautics Authority to continue the right of Lessee to operate into and from said Airport.

(B) The termination of Lessee's obligation or right (imposed by contract or otherwise) to the Federal Government for the carriage of United States air mail to, from or through Indianapolis, Indiana.

(C) The failure or refusal by the Post Office Department, or any other competent governmental authority, to designate the said Airport as the terminal point for Indianapolis, Indiana, for the receiving and dispatching of United States air mail; or the withdrawal of such designation by such governmental agencies.

(D) Issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of said Airport or any part thereof for airport purposes, and the remaining in force of such injunction for a period of at least ninety (90) days.

(E) The breach by Lessor of any of the covenants and agreements herein contained and the failure of Lessor to remedy such breach for a period of ninety (90) days after receipt of written notice of the existence of such breach.

(F) The inability of Lessee to use said premises and facilities continuing for a longer period than sixty (60) days, whether due to any law or order, rule or regulation of any appropriate governmental authority having jurisdiction over the operations of Lessee, or due to war, sabotage, earthquake, or other casualty which is not a result of the negligent acts or negligent omissions of Lessee or its employees.

(G) Any action of the Civil Aeronautics Authority refusing to permit Lessee to operate into, from or through said Airport such aircraft as Lessee may reasonably desire to operate, provided all such aircraft have been approved by the Civil Aeronautics Authority.

No Waiver of Default by Lessee of any of the terms, covenants or conditions hereof to be performed, kept and observed by Lessor shall be construed to be or act as a waiver by Lessee of any subsequent default of any of the terms, covenants and conditions herein contained to be performed, kept and observed by Lessor.

ARTICLE XII—OPTION TO LEASE ADDITIONAL SPACE

The Lessee shall have the right and option at any time, and from time to time during the term hereof, to lease any additional

space at the Airport not necessary to Lessor's operation of the Airport and at the time not leased to others, whether such space is adjacent to the space leased hereunder or otherwise, upon such terms and conditions as may be agreed upon at such time by Lessor and Lessee.

ARTICLE XIII—COVENANT NOT TO GRANT MORE FAVORABLE TERMS

Lessor covenants and agrees not to enter into any lease, contract or agreement with any other scheduled air transport operator, with respect to the Airport, containing more favorable terms than this lease or to grant any other scheduled air transport operator, rights, privileges or concessions with respect to the said Airport which are not accorded to the Lessee hereunder, unless the same terms, rights, privileges and concessions are concurrently made available to the Lessee.

ARTICLE XIV—QUIET ENJOYMENT

Lessor agrees that, on payment of the rent and performance of the covenants and agreements on the part of the Lessee to be performed hereunder, Lessee shall peaceably have and enjoy the leased premises and all the rights and privileges of said Airport, its appurtenances and facilities, as provided in this lease.

ARTICLE XV—SURRENDER OF POSSESSION

Lessee agrees to yield and deliver to Lessor possession of the premises exclusively leased herein at the termination of this lease, by expiration or otherwise, or of any renewal or extension hereof, in good condition in accordance with its express obligations hereunder, except for reasonable wear and tear, fire or other casualty. Lessee shall have the right at any time during said term, or any renewal or extension thereof, or within thirty (30) days after such termination, to remove all fixtures and equipment and any other personal property installed or placed by it at its expense, in, on or about the premises herein leased without restriction whatsoever; subject, however, to any valid lien which Lessor may have thereon for unpaid rents or fees, provided, that Lessee shall tender reasonable

compensation to owners of any property rightfully on the premises which may be substantially injured or destroyed by such removal; provided, that Lessee, in the removal of any such property, shall not in any unreasonable way interfere with the operation of the Airport.

ARTICLE XVI—AIRPORT RESPONSIBILITY

The Lessee, under the terms of this agreement, will not be in control or possession of said Airport (except as to the parts thereof leased exclusively to Lessee), and Lessee does not assume responsibility for the conduct or operation of the said Airport or for the physical or other conditions of the same, not due to Lessee's own negligent acts or negligent omissions.

ARTICLE XVII—INSURANCE

Lessee now has and expects to maintain throughout the life of this agreement commercial liability insurance or self-insurance in the following minimum amounts: \$40,000.00 per person; \$100,000.00 per accident; \$50,000.00 property.

ARTICLE XVIII—CIVIL AERONAUTICS AUTHORITY

Whenever the term "Civil Aeronautics Authority", (C.A.A.) is used in this lease, it shall be construed as referring to the Civil Aeronautics Authority created by the Federal Government under the Civil Aeronautics Act of 1938, or to such other agency or agencies of the Federal Government having from time to time similar jurisdiction over the Lessee or its business.

ARTICLE XIX—ASSIGNMENT OF LEASE

Lessee shall not at any time assign this lease or any part thereof, without the consent in writing of Lessor; provided, however, that Lessee may assign this lease upon written notice to Lessor without such consent to any corporation with which Lessee may merge or consolidate or which may succeed to the business assets or any substantial part thereof of the Lessee.

ARTICLE XX—NOTICES

Notices to the Lessor provided for herein shall be sufficient if sent by registered mail, postage prepaid, addressed to the Board of Public Works and Sanitation of the City of Indianapolis, Indiana, with copy to Superintendent of Airport, and notices to the Lessee, if sent by registered mail, postage prepaid, addressed to the Lessee, at, 101 West 11th Street, Kansas City, Mo., or to such other respective address as the parties may designate in writing from time to time.

ARTICLE XXI—RENTALS AND FEES

For 832 square feet of floor space used exclusively by Lessee in the Administration Building, as shown on the floor plan attached hereto as a part of Exhibit "A", and for such other exclusive space as Lessee may have shown on Exhibit "A", Lessee shall pay to Lessor the following rental:

Two Dollars (\$2.00) per square foot per annum for floor space on the main floor of the Administration Building;

One Dollar and Fifty Cents (\$1.50) per square foot per annum for floor space on the second floor of the Administration Building;

Fifty Cents (\$.50) per square foot per annum for storeroom space, wherever located, and for shop space, as outlined in red on Exhibit "A".

From and after the date hereof, and for and during the first five (5) years of the term of this lease, viz: from April 1, 1944, to March 31, 1949, Lessee shall pay to Lessor a fee each calendar month with respect to each of Lessee's scheduled trip arrivals at said Airport, as follows:

- (1) For each of the first two scheduled trip arrivals, per month\$100.00
- (2) For each of the next two scheduled trip arrivals, per month\$ 75.00

- (3) For each of the next six scheduled trip arrivals, per month\$ 50.00
- (4) For each additional scheduled trip arrival, per month\$ 25.00

From April 1, 1949, to the day of termination of this lease, Lessee shall pay to Lessor a fee each calendar month with respect to each of Lessee's scheduled trip arrivals at said airport as follows:

- (1) For each of the first two scheduled trip arrivals, per month\$110.00
- (2) For each of the next two scheduled trip arrivals, per month\$ 82.50
- (3) For each of the next six scheduled trip arrivals, per month\$ 55.00
- (4) For each additional scheduled trip arrival, per month\$ 27.50

The time table of the Lessee in effect for each current month shall be the sole basis for determining the number of such scheduled trip arrivals during such month and no account shall be taken of schedule changes made during the month, the actual number of trip arrivals or aircraft landings occurring during the month, flight cancellations, extra sections flown (not regularly operated as sections of regular schedules), courtesy, test, inspection or non-revenue flights. The number of trips shown on the face of the time table as scheduled to arrive at said Airport shall be the number of trips for which the monthly payment shall be made, without regard to the number of days on which trips are scheduled to arrive, provided, however, that any schedule regularly operated by Lessee in two (2) or more sections shall be paid for by Lessee as if each of the sections regularly operated were a separate schedule.

For example: If on the face of the time table in effect for a particular month, only two trips are shown as scheduled to arrive at said Airport (one daily and one daily except Sundays, the payment to be made for that entire month would be One Hundred (\$100.00) Dollars for each of the two said scheduled trip arrivals, or a total of Two Hundred (\$200.00) Dollars.

The foregoing shall be applicable to all scheduled trip arrivals on which aircraft having licensed standard gross weights of 30,000 pounds each, or less (are scheduled to be operated. With respect to any scheduled trip arrival on which aircraft having a gross weight of more than 30,000 pounds each are scheduled by the Lessee to be operated, the monthly fee for that scheduled trip arrival shall be increased by One (\$1.00) Dollar for each 1,000 pounds of such excess weight (500 pounds or any larger part of 1,000 pounds to be counted as if a whole 1,000 pounds, and any smaller part to be disregarded). The excess payment is to be computed on the basis of one aircraft.

The term "licensed standard gross weight" for any transport aircraft as used herein shall be the standard gross weight of such aircraft as determined by the Civil Aeronautics Authority.

The fees provided in this article shall become due and shall be payable on the 15th day of the month next succeeding that during which such fees may have accrued.

No fees or rentals provided in this article shall be considered past due in any event until ten (10) days after receipt by Lessee of Lessor's written billing therefor.

It is understood that, except for the rentals, charges and fees set forth above, there shall be no rentals, fees, licenses, or other charges, or excise taxes, and no tolls payable by the Lessee to the Lessor for the use of any of the premises, facilities, rights, licenses and privileges granted hereunder, except as otherwise provided in subparagraph 10 of paragraph (A) of Article I and in Article XII of this lease.

ARTICLE XXII—HEADINGS

The article and paragraph headings are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision of this lease.

ARTICLE XXIII—INVALID PROVISION

It is further expressly understood and agreed by and between the parties herto that in the event any covenant, condition or provision herein contained is held to be invalid by any court of competent

jurisdiction, or otherwise appears to both parties to be invalid, the invalidity of any such covenant, conditions or provisions shall in no way affect any other covenant, condition or provision herein contained; provided, however, that the invalidity of any such covenant, condition or provision does not materially prejudice either the Lessor or the Lessee in their respective rights and obligations contained in the valid covenants, conditions or provisions of this lease. This Agreement shall not be in force and effect until the same shall have been executed by a duly authorized officer of Lessee and has been ratified, confirmed and approved by the Common Council of the City of Indianapolis.

ARTICLE XXIV—PERSONAL LIABILITY

Nothing herein contained shall create any personal liability against the Mayor or any member of the Board of Public Works and Sanitation nor against any officers of the Lessee.

IN WITNESS WHEREOF, the parties hereto have executed these presents, as of the day and year first above written.

Y., as Lessee, wherein the City of Indianapolis has demised and leased to said corporation certain premises and facilities, rights, licenses and privileges, on and in connection with the property and improvement of Lessor, known as the Weir Cook Airport, which are more particularly described and set out in said lease; and upon the terms, conditions and provisions provided in said lease; and fixing a time when the same shall take effect.

WHEREAS, heretofore, to-wit: On the 21st day of March, 1944, the City of Indianapolis, by and through its Board of Public Works and Sanitation, with the approval of its Mayor, entered into a certain lease agreement with the Eastern Air Lines, Inc., which said lease agreement is in the following words and figures, to-wit:

AGREEMENT

This Agreement of Lease made this 21st day of March, 1944, by and between the City of Indianapolis, a municipal corporation of Marion County, State of Indiana, (hereinafter referred to as "Lessor"), acting by and through its Board of Public Works and Sanitation, with the approval of its Mayor, and

EASTERN AIR LINES, INC.,

a corporation organized and existing under and by virtue of the laws of the State of Delaware, (hereinafter referred to as "Lessee"), with its principal place of business at 10 Rockefeller Plaza, New York, N. Y.

WITNESSETH:

WHEREAS, the Lessor is the owner and operator of Weir Cook Airport, in Marion County, Indiana; and,

WHEREAS, Lessee is engaged in the business of transporting persons, property and mail by air, and Lessor desires to lease and grant, and Lessee desires to hire and obtain, certain premises and facilities on said Airport, together with certain rights, licenses and privileges thereon;

NOW, THEREFORE, the parties hereto, for and in consideration of the rents, covenants and agreements contained herein, agree as follows:

ARTICLE I—PREMISES

Lessor does hereby demise and let unto Lessee, and Lessee does hereby hire and take from Lessor, the following premises and facilities, rights, licenses and privileges on and in connection with the property and improvements of Lessor known as the Weir Cook Airport, as more particularly hereinafter set forth:

(A) **Use of Airport.** The use (in common with other duly authorized users) of said Airport and appurtenances, together with all facilities, improvements, equipment and services which have been or may hereafter be provided at or in connection with said Airport from time to time, subject to rules and regulations as provided in Article VIII herein, which use shall include:

(1) The operation of a transportation system by aircraft for the carriage of persons, property, freight, express and mail (hereinafter referred to as "air transportation"), including all activities reasonably necessary to such operation.

(2) The repairing, maintaining, conditioning, servicing, parking or storage of aircraft or other equipment owned or operated by Lessee; provided, however, that this paragraph shall not be construed to require Lessor to make available hangar space.

(3) The training at the Airport of personnel actually in the employ of or to be employed by Lessee, and the testing of aircraft and equipment owned or operated by Lessee; it being understood that such training and testing shall be incident to the use of the Airport in the operation by Lessee of its air transportation system.

(4) The right from time to time, but not as a regular course of business, to sell and dispose of Lessee's aircraft, engines, accessories, and other equipment or supplies, gasoline, oil, lubricants or other fuel, insofar as same may be incidental to Lessee's operation of an air transportation system, but not otherwise, it being expressly understood and agreed that this sub-section shall not be construed as authorizing the conduct of a separate business by Lessee, provided, however, that Lessee shall not sell or dispose of gasoline or other fuel except in emergencies where fuel of the type required is not available from the fuel concessionaire at the airport.

(5) The servicing by Lessee, or by its suppliers, of aircraft or other equipment owned or operated by Lessee by truck or otherwise, with gasoline, oil, greases and any other fuel or other supplies required by Lessee.

(6) The landing, taking off, parking, loading and unloading of aircraft or other equipment owned or operated by Lessee.

(7) The right to load and unload persons, property, freight and express and mail at said Airport by such motor vehicles or other means of conveyance as Lessee may desire or require in the operation of its air transportation system, with the right to designate the particular carrier, or carriers, who shall or may transport Lessee's passengers and cargo to and from the Airport.

(8) The right to install and operate a reasonable number of identifying signs on the leased premises, the general type, design and location of such signs to be subject to the written approval of the Board of Public Works and Sanitation.

(9) The right to install, maintain and operate, at the expense of the Lessee, such radio, communications, meteorological and aerial navigation equipment and facilities in, on and

about the premises herein leased at said Airport as may be necessary or convenient, in the opinion of the Lessee, for its operations; provided, that the location of such equipment and facilities as might interfere with full and proper use of the Airport shall be subject to approval by the Board of Public Works and Sanitation.

(10) In the event that Lessor shall provide, at the written request of Lessee, additional airport facilities of a type or types not now provided or operated by Lessor at said Airport, Lessee agrees to pay a fair proportionate share of the cost of operation and maintenance of such facilities, such share to be determined by agreement of the parties prior to installation of such facilities.

(B) **Space in Administration Building.** The exclusive use of about 569 square feet of space in the Administration Building, as the same is more particularly set forth and shown on the floor plan attached hereto as a part of Exhibit A, for use of Lessee in connection with or incidental to its operation of an air transportation system, such use to include the sale of tickets, accident insurance, manifesting of passengers and cargo, handling of mail, baggage and cargo, and the operation of a general traffic, operations, meteorological and communications office.

(C) **Public Space in Administration Building.** The use by Lessee, its employees, passengers, guests, patrons and invitees, in common, however, with others, of all public spaces in said Administration Building, and all additional public space which may hereafter be made available in said Administration Building or any additions thereto, including its lobby, waiting room, hallways, rest rooms, room for flight personnel and other public and passenger conveniences.

(D) **Parking Space.** The use by Lessee and its employees, in common only with other air transport operators who may be lessees of space at the Airport and their employees, of an adequate vehicular parking space, to be designated by Lessor, located as near as possible to the Administration Building, without charge to Lessee or its employees. The use by Lessee and its passengers (including persons calling for and delivering passengers), in common only with the other air transport operators who may be lessees of space at the Airport and their passen-

gers, of an adequate parking space located as near as possible to said Administration Building, without charge to Lessee or to said passengers.

Provided, however, that such parking space shall be limited to the extent of grounds and space available to Lessor for such purposes; and, provided, further, that Lessor shall not be required, except in its own discretion, to furnish parking police or attendants or other police protection for such parking spaces.

(E) **Right of Access, Ingress and Egress.** The full and unrestricted access and ingress to and egress from the premises at the Airport, herein leased and licensed, for Lessee, its employees, passengers, guests, patrons, invitees, suppliers of materials and furnishers of service, its or their aircraft, equipment, vehicles, machinery and other property, without charge to Lessee, or to said persons or property.

ARTICLE II—TERM

Lessee shall have and hold said premises, facilities, rights, licenses and privileges set forth in paragraphs (A) to (E), inclusive, of Article I, for a term of ten (10) years, commencing on the 1st day of April, 1944, and terminating at the end of the 31st day of March, 1954, unless sooner terminated as hereinafter provided.

ARTICLE III—RIGHT TO LEASE PROPERTY

Lessor represents that it has the right to lease said property, together with all the facilities, rights, licenses and privileges herein granted, and has full power and authority to enter into this lease in respect thereof.

ARTICLE IV—CHARGES, FEES OR TAXES

Lessor agrees that no charges, fees, licenses, excise or operating taxes, or tolls, other than herein expressly provided, shall be charged or collected by it from Lessee or any other persons, including suppliers of materials or furnishers of services, for the privilege of

transporting, loading, unloading, or handling persons, property or mail to, from, into or on said Airport in connection with Lessee's business.

ARTICLE V—RIGHT TO PURCHASE SUPPLIES AND MATERIALS

Lessee shall have the full right of purchasing at said Airport or elsewhere, its requirements of gasoline, fuel, lubricating oil, grease, food and other passenger supplies, and any other materials and supplies from any person or company of its choice, and no charges, fees, taxes, or tolls of any kind, except as herein expressly set forth, shall be charged by Lessor, directly or indirectly, against Lessee or its suppliers for the privilege of using, storing, withdrawing, handling, consuming or transporting the same to, from or on said Airport.

ARTICLE VI—LESSEE'S STORAGE FACILITIES

Lessee may at its own cost and expense erect, install, and maintain on said Airport such adequate storage facilities, excluding hangars, shops and freight sheds as it may determine to be necessary for use in connection with its air transportation operations for gasoline, oil, greases, and any other fuel, and for other supplies and equipment, at convenient locations, whether underground or on the surface, as may be mutually agreed upon by and between Lessor and Lessee, together with the necessary pipes, pumps, motors, filters, racks, housing and other appurtenances incidental to the use thereof. No restrictions shall be placed upon the Lessee as to the architects, builders or contractors who shall be employed by it in connection with the erection of any such storage facility.

Any such storage facility erected or installed by the Lessee pursuant to this Article shall not become a part of the land on, or in, which it is erected, but shall be and remain the property of Lessee.

ARTICLE VII—MAINTENANCE AND OPERATION OF AIRPORT

Lessor agrees to maintain and operate said Airport so as to entitle it to an approved rating by the C. A. A., equivalent to or

higher than the one which it now holds, in respect to all operations of Lessee now or hereafter approved by said C. A. A.

It is expressly understood and agreed that the Lessor will keep the public space in the Administration Building in good repair and will provide and supply water and heat (such heating during cold weather to be sufficient to keep the building at a reasonable temperature) for the entire building. The Lessor will also provide adequate electric light for the public space in the said building, but the Lessee will pay for its own electric bulbs or additional fixtures in the exclusive office space occupied by Lessee. The Lessor will furnish janitors and other cleaners necessary to keep the Airport and the public spaces in the Administration Building clean, neat, orderly, sanitary and presentable, together with such personnel as may be necessary to facilitate the use of the Airport and Administration Building and the appurtenances, facilities and services as aforesaid by anyone hereunder entitled to use the same; provided, however, that Lessee shall furnish its own janitor service in respect to the office space exclusively occupied by it, and in addition thereto shall pay for any electric current used by it in the operation of its equipment, pumping facilities, office space, and all other electric current used exclusively by Lessee.

ARTICLE VIII—RULES AND REGULATIONS

Lessee covenants and agrees to observe and obey all reasonable rules and regulations (not in conflict with the provisions hereof) which may from time to time during the term hereof be promulgated by Lessor, or any of its agencies, for operation of said Airport.

ARTICLE IX—DAMAGE OR DESTRUCTION OF ADMINISTRATION BUILDING

If any property, part or all of which is leased to Lessee, shall be partially damaged by fire or other casualty, but not rendered untenable, the same shall be repaired with due diligence by the Lessor at its own cost and expense; if the damage shall be so extensive as to render the premises untenable, but capable of being repaired in sixty (60) days, the same shall be repaired with due diligence by the Lessor at its own cost and expense, and the rent payable hereunder shall be proportionately paid up to the time of

such damage and shall thenceforth cease until such time as the premises shall be in order; and in case such property is completely destroyed by fire or other casualty, or so damaged as to remain untenable for more than sixty (60) days, at the option of the Lessee either; (1) said premises shall be repaired or reconstructed with due diligence by the Lessor at its own cost and expense and the rent payable therefor shall be proportionately paid up to the time of such damage or destruction and shall thenceforth cease until such time as the premises shall be put in order; provided, however, that the rent provided herein shall continue and be paid by Lessee on any usable portion of said property, covered by this lease, which has not been damaged by fire or other casualty and the rent on such portion of said property to be proportionately paid; or (2) within ninety (90) days after the time of such damage or destruction and before the said premises shall be put in order and before contract for repair or reconstruction thereof has been signed, the Lessee shall give the Lessor notice of its intention to cancel this lease, or the portion thereof relating to such property, in which case this lease, in its entirety, or the portion thereof relating to such property shall forthwith cease and determine; provided, however, that this lease shall not be cancelled in its entirety by reason of damage by fire or other casualty unless the property covered by this lease shall be damaged to such an extent that none of such property is usable by Lessee, but may be cancelled in part upon that portion of said property which has been so damaged to an extent which renders it unusable by Lessee.

ARTICLE X—CANCELLATION BY LESSOR

In the event that Lessee shall file a voluntary petition in bankruptcy or that proceedings in bankruptcy shall be instituted against it and the Lessee is thereafter adjudicated bankrupt pursuant to such proceedings, or that the court shall take jurisdiction of Lessee and its assets pursuant to proceedings brought under the provisions of any Federal reorganization act, or that a receiver of Lessee's assets shall be appointed, or that Lessee shall be divested of, or be prevented by any final action of any Federal or State authority from conducting and operating its transportation system for the carriage of persons, property and mail by aircraft at the Airport, or that Lessee shall fail to perform, keep and observe any of the terms, covenants and conditions herein contained on the part of the Lessee to be performed, kept or observed, the Lessor may give the Lessee notice in writing to correct such condition or cure such default; and,

if any such condition or default shall continue for sixty (60) days after the receipt of such notice by the Lessee, the Lessor may, after the lapse of said sixty (60) day period and prior to the correction of our curing of such condition or default, terminate this lease by a twenty (20) day written notice; and the term hereby demised shall thereupon cease and expire at the end of such twenty (20) days, in the same manner and to the same effect as if it were the expiration of the original term.

The acceptance of rental by the Lessor for any period or periods after a default of any of the terms, covenants and conditions herein contained to be performed, kept and observed by Lessee, shall not be deemed a waiver of any right on the part of the Lessor to cancel this lease for such default.

No waiver of default by Lessor of any of the terms, covenants or conditions hereof to be performed, kept and observed by Lessee shall be constructed to be or act as a waiver of any subsequent default of any of the terms, covenants and conditions herein contained to be performed, kept and observed by Lessee.

ARTICLE XI—CANCELLATION BY LESSEE

Lessee, in addition to any right of cancellation or any other rights herein given to Lessee, may cancel this lease in its entirety and terminate all or any of its obligations hereunder at any time, by thirty (30) days' written notice, upon or after the happening of any one of the following events:

(A) The failure or refusal of the Civil Aeronautics Authority to continue the right of Lessee to operate into and from said Airport.

(B) The termination of Lessee's obligations or right (imposed by contract or otherwise) to the Federal Government for the carriage of United States air mail to, from or through Indianapolis, Indiana.

(C) The failure or refusal by the Post Office Department, or any other competent governmental authority, to designate the said Airport as the terminal point for Indianapolis, Indiana, for the receiving and dispatching of United States air

mail; or the withdrawal of such designation by such governmental agencies.

(D) Issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of said Airport or any part thereof for airport purposes, and the remaining in force of such injunction for a period of at least ninety (90) days.

(E) The breach by Lessor of any of the covenants and agreements herein contained and the failure of Lessor to remedy such breach for a period of ninety (90) days after receipt of written notice of the existence of such breach.

(F) The inability of Lessee to use said premises and facilities continuing for a longer period than sixty (60) days, whether due to any law or order, rule or regulation of any appropriate governmental authority having jurisdiction over the operation of Lessee, or due to war, sabotage, earthquake, or other casualty which is not a result of the negligent acts or negligent omissions of Lessee or its employees.

(G) Any action of the Civil Aeronautics Authority refusing to permit Lessee to operate into, from or through said Airport such aircraft as Lessee may reasonably desire to operate, provided all such aircraft have been approved by the Civil Aeronautics Authority.

No waiver of Default by Lessee of any of the terms, covenants or conditions hereof to be performed, kept and observed by Lessor shall be construed to be or act as a waiver by Lessee of any subsequent default of any of the terms, covenants and conditions herein contained to be performed, kept and observed by Lessor.

ARTICLE XII—OPTION TO LEASE ADDITIONAL SPACE

The Lessee shall have the right and option at any time, and from time to time during the term hereof, to lease any additional space at the Airport not necessary to Lessor's operation of the Airport and at the time not leased to others, whether such space is adjacent to the space leased hereunder or otherwise, upon such terms

and conditions as may be agreed upon at such time by Lessor and Lessee,

ARTICLE XIII—COVENANT NOT TO GRANT MORE FAVORABLE TERMS

Lessor covenants and agrees not to enter into any lease, contract or agreement with any other scheduled air transport operator, with respect to the Airport, containing more favorable terms than this lease or to grant any other scheduled air transport operator, rights, privileges or concessions with respect to the said Airport which are not accorded to the Lessee hereunder, unless the same terms, rights, privileges and concessions are concurrently made available to the Lessee.

ARTICLE XIV—QUIET ENJOYMENT

Lessor agrees that, on payment of the rent and performance of the covenants and agreements on the part of the Lessee to be performed hereunder, Lessee shall peaceably have and enjoy the leased premises and all the rights and privileges of said Airport, its appurtenances and facilities, as provided in this lease.

ARTICLE XV—SURRENDER OF POSSESSION

Lessee agrees to yield and deliver to Lessor possession of the premises exclusively leased herein at the termination of this lease,

by expiration or otherwise, or of any renewal or extension hereof, in good condition in accordance with its express obligations hereunder, except for reasonable wear and tear, fire or other casualty. Lessee shall have the right at any time during said term, or any renewal or extension thereof, or within thirty (30) days after such termination, to remove all fixtures and equipment and any other personal property installed or placed by it at its expense, in, on or about the premises herein leased without restriction whatsoever; subject, however, to any valid lien which Lessor may have thereon for unpaid rents or fees, provided, that Lessee shall tender reasonable compensation to owners of any property rightfully on the premises which may be substantially injured or destroyed by such removal; provided, that Lessee, in the removal of any such property, shall not in any unreasonable way interfere with the operation of the Airport

ARTICLE XVI—AIRPORT RESPONSIBILITY

The Lessee, under the terms of this agreement, will not be in control or possession of said Airport (except as to the parts thereof leased exclusively to Lessee), and Lessee does not assume responsibility for the conduct or operation of the said Airport or for the physical or other conditions of the same, not due to Lessee's own negligent acts or negligent omissions.

ARTICLE XVII—INSURANCE

Lessee now has and expects to maintain throughout the life of this agreement commercial liability insurance or self-insurance in the following minimum amounts: \$40,000.00 per person; \$100,000.00 per accident; \$50,000.00 property.

ARTICLE XVIII—CIVIL AERONAUTICS AUTHORITY

Whenever the term "Civil Aeronautics Authority", (C.A.A.) is used in this lease, it shall be construed as referring to the Civil Aeronautics Authority created by the Federal Government under the

Civil Aeronautics Act of 1938, or to such other agency or agencies of the Federal Government having from time to time similar jurisdiction over the Lessee or its business.

ARTICLE XIX—ASSIGNMENT OF LEASE

Lessee shall not at any time assign this lease or any part thereof, without the consent in writing of Lessor; provided, however, that Lessee may assign this lease upon written notice to Lessor without such consent to any corporation with which Lessee may merge or consolidate or which may succeed to the business assets or any substantial part thereof of the Lessee.

ARTICLE XX—NOTICES

Notices to the Lessor provided for herein shall be sufficient if sent by registered mail, postage prepaid, addressed to the Board of Public Works and Sanitation of the City of Indianapolis, Indiana, with copy to Superintendent of Airport, and notices to the Lessee, if sent by registered mail, postage prepaid, addressed to the Lessee, at 10 Rockefeller Plaza, New York City, N. Y., or to such other respective address as the parties may designate in writing from time to time.

ARTICLE XXI—RENTALS AND FEES

For 569 square feet of floor space used exclusively by Lessee in the Administration Building, as shown on the floor plan attached hereto as a part of Exhibit "A", and for such other exclusive space as Lessee may have as shown on Exhibit "A", Lessee shall pay to Lessor the following rental:

Two Dollars (\$2.00) per square foot per annum for floor space on the main floor of the Administration Building;

One Dollar and Fifty Cents (\$1.50) per square foot per annum for floor space on the second floor of the Administration Building;

Fifty Cents (\$.50) per square foot per annum for storeroom space, wherever located.

From and after the date hereof, and for and during the first five (5) years of the term of this lease, viz: From April 1, 1944, to March 31, 1949, Lessee shall pay to Lessor a fee each calendar month with respect to each of Lessee's scheduled trip arrivals at said Airport, as follows:

- (1) For each of the first two scheduled trip arrivals, per month\$100.00
- (2) For each of the next two scheduled trip arrivals, per month\$ 75.00
- (3) For each of the next six scheduled trip arrivals, per month\$ 50.00
- (4) For each additional scheduled trip arrival, per month\$ 25.00

From April 1, 1949, to the day of termination of this lease, Lessee shall pay to Lessor a fee each calendar month with respect to each Lessee's scheduled trip arrivals at said airport as follows:

- (1) For each of the first two scheduled trip arrivals, per month\$110.00
- (2) For each of the next two scheduled trip arrivals, per month\$ 82.50

- (3) For each of the next six scheduled trip arrivals, per month\$ 55.00
- (4) For each additional scheduled trip arrival, per month\$ 27.50

The time table of the Lessee in effect for each current month shall be the sole basis for determining the number of such scheduled trip arrivals during such month and no account shall be taken of schedule changes made during the month, the actual number of trip arrivals or aircraft landings occurring during the month, flight cancellations, extra sections flown (not regularly operated as sections of regular schedules), courtesy, test, inspection or non-revenue flights. The number of trips shown on the face of the time table as scheduled to arrive at said Airport shall be the number of trips for which monthly payment shall be made, without regard to the number of days on which trips are scheduled to arrive, provided, however, that any schedule regularly operated by Lessee in two (2) or more sections shall be paid for by Lessee as if each of the sections regularly operated were a separate schedule.

For example: If on the face of the time table in effect for a particular month, only two trips are shown as scheduled to arrive at said Airport, one daily and one daily except Sundays, the payment to be made for that entire month would be One Hundred (\$100.00) Dollars for each of the two said scheduled trip arrivals, or a total of Two Hundred (\$200.00) Dollars.

The foregoing shall be applicable to all scheduled trip arrivals on which aircraft having licensed standard gross weights of 30,000 pounds each, or less, are scheduled to be operated. With respect to any scheduled trip arrival on which aircraft having a gross weight of more than 30,000 pounds each are scheduled by the Lessee to be operated, the monthly fee for that scheduled trip arrival shall be increased by One (\$1.00) Dollar for each 1,000 pounds of such excess weight (500 pounds or any larger part of 1,000 pounds to be counted as if a whole 1,000 pounds, and any smaller part to be disregarded). The excess payment is to be computed on the basis of one aircraft.

The term "licensed standard gross weight" for any transport aircraft as used herein shall be the standard gross weight of such aircraft as determined by the Civil Aeronautics Authority.

The fees provided in this article shall become due and shall be payable on the 15th day of the month next succeeding that during which such fees may have accrued.

No fees or rentals provided in this article shall be considered past due in any event until ten (10) days after receipt by Lessee of Lessor's written billing therefor.

It is understood that, except for the rentals, charges and fees set forth above, there shall be no rentals, fees, licenses, or other charges, or excise taxes, and no tolls payable by the Lessee to the Lessor for the use of any of the premises, facilities, rights, licenses and privileges granted hereunder, except as otherwise provided in subparagraph 10 of paragraph (A) of Article I and in Article XII of this lease.

ARTICLE XXII—HEADINGS

The article and paragraph headings are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision of this lease.

ARTICLE XXIII—INVALID PROVISION

It is further expressly understood and agreed by and between the parties hereto that in the event any covenant, condition or provision herein contained is held to be invalid by any court of com-

petent jurisdiction, or otherwise appears to both parties to be invalid, the invalidity of any such covenant, conditions or provision shall in no way affect any other covenant, condition or provision herein contained; provided, however, that the invalidity of any such covenant, condition or provision does not materially prejudice either the Lessor or the Lessee in their respective rights and obligations contained in the valid covenants, conditions or provisions of this lease. This Agreement shall not be in force and effect until the same shall have been executed by a duly authorized officer of Lessee and has been ratified, confirmed and approved by the Common Council of the City of Indianapolis.

ARTICLE XXIV—PERSONAL LIABILITY

Nothing herein contained shall create any personal liability against the Mayor or any member of the Board of Public Works and Sanitation nor against any officers of the Lessee.

IN WITNESS WHEREOF, the parties hereto have executed these presents, as of the day and year first above written.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY
OF INDIANAPOLIS, INDIANA:

Section 1. That a certain contract by and between the City of Indianapolis, by and through its Board of Public Safety, with the approval of its Mayor and Warren Township, by and through its advisory board and trustee, made and entered into as of March 28, 1944, effective as of January 1, 1944, which contract reads as follows:

THIS AGREEMENT, made and entered into as of the 1st day of January, 1944, by and between the City of Indianapolis, Marion County, Indiana, by and through its Board of Public Safety, with the approval of its Mayor, party of the first part, and Warren Township of Marion County, State of Indiana, by and through its advisory board and trustee, party of the second part, WITNESSETH THAT:

It is further agreed and understood that the party of the second part shall furnish its own water supply at its own expense.

This contract shall be of no force and effect unless its execution is authorized by an ordinance passed by the Common Council of the City of Indianapolis and approved by its Mayor.

Mr. Bowers presented the following written motion:

Indianapolis, Ind., June 5, 1944.

Mr. President:

I move that General Ordinance No. 21, 1944, be amended by striking out all after the ordaining clause and inserting in lieu thereof the following:

Section 1. That pursuant to all of the general statutory powers of the Common Council of said city, and specifically the act of the General Assembly of the State of Indiana of 1937, being chapter 248, a general and complete revision, codification and publication of all of the existing ordinances of the City of Indianapolis should be and the same is hereby ordered. That an emergency is hereby declared to exist for such project by reason of the following facts, to-wit: The last Municipal Code of the city was published at the close of the year 1925 and has been since supplemented by annual volumes of the Proceedings of the Common Council; that in that long period of time many portions of such code and many later ordinances have been amended, supplemented, or repealed and many provisions thereof have become obsolete, or in conflict with later statutes or with decisions of the courts, thereby creating much confusion and uncertainty in the status of municipal law controlling all city officials and the public and resulting in great loss of time and consequent expense to the taxpayers in the ascertainment by such officials of the local law applicable to their duties and to the rights and obligations of the city and the public; that it is impractical and would be a waste of public funds merely to reconcile all the annual volumes since 1925 into one or more volumes, or to provide a separate complete index therefor, thereby leaving said obsolete code in effect; that, accordingly, the public welfare will be best served by the preparation and publication at this time of a complete new and modern type municipal code, so arranged by subject matter and section numbers and possibly two or more volumes, that it can be easily supplemented by annual pamphlets and so kept up to date. When finally prepared as hereinafter provided and completed and introduced for adoption as a general ordinance, the

latter shall be designated as, "Municipal Code of 194.... of the City of Indianapolis."

Section 2. That pursuant to its statutory powers in the premises and as of the date the appropriation herein made becomes effective, the Common Council hereby authorizes and directs its President to select four attorneys at law, all to be members of the bar of Marion County, Indiana, in good standing, to serve as a codification commission, to prepare subject to approval of the Corporation Counsel and submit to the Common Council a general ordinance comprising a complete revision, codification and publication of said ordinances and of the Municipal Code of 1925. It shall be the duty of the President to report to the Common Council at its next regular meeting his selection of such attorneys for such purpose which shall be subject to approval, by resolution, of the Common Council.

Section 3. After the appropriation herein provided for becomes effective, the City Clerk, as Clerk of the Common Council is hereby directed to notify the aforesaid four attorneys at law to commence the performance of such work under all the limitations and terms herein set out, or as may be hereafter specified by any amendatory ordinance or resolution of the Common Council.

Section 4. After said attorneys shall have so qualified and shall have accepted such employment they, as such commission, shall select one of its members to act as chairman. The said chairman shall be responsible for the allotment of the work incident thereto; for arrangements as to time and place for such work and for the constant faithful performance of such duties to the end that such work of revision and codification may be properly executed within the shortest possible time.

Section 5. It shall be the duty of said commission to examine all ordinances of the Common Council ordained subsequent to the passage of the Municipal Code of 1925, together with the Municipal Code of 1925 and any other ordinances not repealed thereby, and to determine which ordinances and parts thereof are still in force and effect; to remove any conflicting provisions; to delete or re-write any provisions which are clearly obsolete, void, or unconstitutional; to rearrange and combine similar provisions dealing with the same subject matter; to examine model ordinances and codes in effect in other municipalities; to consider recommendations from various officials and departments of the city and other proper sources with respect to

changes therein or additions thereto and new matter in need of regulation, and generally to do all other things deemed necessary to the end that said commission may submit to the Common Council for adoption a proposed modern, complete and unified code of all such ordinance material which may be of general interest and which may tend to facilitate the execution of all proper functions of government by the various officials and departments of the city. It shall further be the duty of said commission to prepare introductory and supplemental matter to accompany the municipal code, such as an appendix and a complete index of the respective provisions of the code; indexes to any classes of special or general ordinances still in force and effect but which are not of such character as to be embodied in the code proper, and any duly adopted rules or regulations of any boards, officers, or of the Common Council, which said commission may deem advisable or to be directed by the Common Council to include, and any other matter, including the form and arrangement of such code, which said commission determines proper. Said commission shall insert reference to statutory authority and decisions of the Supreme and Appellate Court pertinent to any of the ordinance provisions. The chairman of the commission, or any member thereof, shall report the progress of such work to the Common Council at its first monthly meeting every sixty days after such work is begun, or as much oftener as the Common Council may request. It shall further be the duty of said commission, together with the Corporation Counsel and the City Clerk, as advisors thereto, to consider the matter of so arranging the material of the code that the City Clerk may publish periodical supplements thereto, causing the said code to continue in current form, so as to be, at all time, convenient for reference and not to require the expenditure of other money for frequent complete codifications. It shall be the duty of the City Clerk, at the customary time of printing the council proceedings, to cause to be printed also a sufficient number of copies of such ordinances passed as may be needed for assembling such supplements and for the use of such commission.

Section 6. It shall be the duty of the Corporation Counsel and the City Clerk, during the progress of the work, to seek all available information and advice concerning the proper and most suitable form and manner of publication of said codification, the number of copies to be published, how distributed and the price for sale. They shall take into consideration the possible advantage of the publication in more than one separate volume for the different classes of ordinances, such as, General, Special, Building, Zoning, Traffic, and any other classification, and shall determine whether thereby the convenience

of the public would be best served, the cost of the publication be reduced and the revenue to the city from the sale thereof be increased, and they shall report their findings thereon to the codification commission and to the Common Council.

Section 7. The total amount of compensation to be paid to each of said attorneys upon the completion of said work shall not exceed Fifteen Hundred Dollars (\$1,500.00), except that the chairman of said commission shall be paid in addition thereto the sum of Three Hundred Dollars (\$300.00) for the additional duties and responsibilities herein specified; the same to be paid on vouchers signed by the City Clerk and approved by the Corporation Counsel in the same manner that other vouchers are issued and paid for other expenses of the city. Such compensation shall be paid at the rate of One Hundred Dollars (\$100.00) per month for each attorney during the conduct of the work, and Twenty-Five Dollars (\$25.00) per month to the chairman in addition thereto, and upon the completion of such work any unpaid part of said total compensation for each such member shall be then due and payable; Provided, however, that \$300.00 of such total compensation for each such member shall be retained until such work is approved by the Common Council.

Section 8. That pursuant to the emergency herein declared the sum of Six Thousand Three Hundred Dollars (\$6,300.00) for the payment of services aforesaid, be and the same is hereby appropriated from the estimated, anticipated and unappropriated balance of and in the general fund of the City of Indianapolis for the year of 1944, and is hereby allocated to the fund classification in the city budget as "Other Compensations", under sub-item 13, under "1—Services—Personal", which fund is hereby created and set up in the present budget for the office of City Clerk.

Section 9. This ordinance shall be in full force and effect from and after its passage, approval and compliance with law pertaining thereto.

Mr. Frank J. Noll, Jr.,
City Clerk,
City Hall,
Indianapolis, Indiana.

Dear Mr. Noll:

I am returning to you herewith, without my signature, within ten days after its receipt by me, General Ordinance No. 21, 1944, as amended.

My objection to General Ordinance No. 21, as amended, is as follows:

After the investigation of the necessity for such Codification and the possibility of having this work performed without

the employment of additional attorneys, I have reached the conclusion that this can be done by the Department of Law of the City of Indianapolis and thus save the tax-payers of this community approximately \$6,000.00, the expenditure of which would be necessary in employing a Codification Commission.

Very truly yours,

ROBERT H. TYNDALL,

Mayor.

To the Honorable President and
Members of the Common Council of
the City of Indianapolis.

Gentlemen:

Attached are copies of Appropriation Ordinance No. 59, 1944, reappropriating the sum of \$41,425.00 in the Department of Public Health and Charities, Dairy Division, Administration and Laboratory Sections.

I do not recommend passage of this ordinance as it contains increases in salaries for employees of the Dairy Division. The City Controller operates under the State Board of Accounts, which has given me instructions and an opinion from James A. Emmert, Attorney General of the State of Indiana, to the effect that it is illegal to increase salaries during a budget year. Even should the Common Council pass such an ordinance the City Controller can draw warrants for only the salaries as fixed in the 1944 budget.

Yours very truly,

ROY E. HICKMAN,
City Controller.

Noes, 1, viz: Mr. Manly.

At this time President Schumacher read the following statement in regard to Appropriation Ordinance No. 57, 1944.

I desire to make one further comment on the ordinance we have just passed.

Our vote here tonight shows that we believe the appointment of a Personnel Director is a direct step forward. It is a position that is badly needed in the city government. I know of no other agency in Indianapolis or the state that employs approximately 3,500 people that does not employ a Personnel Director. I know that the taxpayers and citizens of Indianapolis will welcome the passage of this ordinance because its proper administration will give assurance of more value for their tax money and more efficient public servants.

The Council as the legislative body of the City of Indianapolis passes this ordinance to the Mayor who has the appointive power. I am sure that Mayor Tyndall realizes the responsibility vested in him and will fulfill his obligation to the City Council and to the citizens and taxpayers of Indianapolis to appoint the person best qualified and most efficient for the position of Personnel Director.

The success or failure of this plan will depend on the good services of the person chosen.

SWITCH PERMIT

GENERAL ORDINANCE No. 80, 1944

AN ORDINANCE approving a certain agreement and permit granting The Ohio Oil Company the right for two (2) sidings crossing Olin Ave., north of the intersection of 11th St., as per plan attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit: on the 14th day of September, 1944, The Ohio Oil Company, 121 E. Maryland Street, Indianapolis, Indiana, filed its petition before the Board of Public Works and Sanitation of the City of Indianapolis, as follows:

PETITION

To Board of Public Works and Sanitation,
City of Indianapolis.

Gentlemen:

We do, hereby, petition to the Board of Public Works of the City of Indianapolis for permission to construct and maintain the portion of our proposed two sidings which will cross Olin Avenue north of the intersection of Eleventh Street as shown on the attached sketch. These two sidings that we are applying for are to serve the new pipe line terminal station which we are constructing on the parcel of land bordered on the north by Sixteenth Street, on the east by Olin Avenue, on the west by Little Eagle Creek and on the south by private road owned by the City of Speedway, said private road being the abandoned right-of-way of the old traction line which lies north of and adjoining the P. & E. Railroad. The above said parcel of land lies in the City of Speedway, however, the center line of Olin Avenue is also the corporation line between the City of Indianapolis and the City of Speedway.

NOW, THEREFORE, This agreement made and entered into this 14th day of September, 1944, by and between The Ohio Oil Company of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works and Sanitation, party of the second part.

WITNESSETH: That the party of the first part, being desirous of securing a permit for a right of way for two sidetracks or switches from their intersection at the east right-of-way line of Olin Avenue to the center line of Olin Avenue, said center line being the corporation line of the City of Indianapolis, in the City of Indianapolis, which is more specifically described as follows: The center line of the south switch will intersect the east right-of-way line of Olin Avenue approximately sixty (60) feet north of the center line of the P. & E. R.R., and will intersect with the center line of Olin Avenue approximately seventy-seven (77) feet north of the center line of the P. & E. R.R. Center line of the north switch intersects the east right-of-way line of Olin Avenue approximately seventy-one (71) feet north of the center line of the P. & E. R.R. and intersects the center line of Olin Avenue approximately one hundred and ten (110) feet north of the

center line of the P. & E. R.R. The lengths of the portion of the tracks for which permission is requested are as follows:

South switch approximately forty (40) feet on the portion of Olin Avenue in Indianapolis;

North switch approximately sixty (60) feet on the portion of Olin Avenue in Indianapolis, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, he will lay, construct, maintain and pay all costs and expenses either now or hereafter connected with said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, maintained, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works and Sanitation of the City of Indianapolis, and to all laws and ordinances, adopted and enacted pursuant to the police powers of said city.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council, or with any resolution or resolutions made by said Board, for the elevation or depression of said track, or tracks; provided further that all the costs thereof shall be paid by the said party of the first part, who hereby waives any division of such costs as now or hereafter provided by any statute, or otherwise.

(3) The crossing where said track intersects shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon

said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser. Said notice shall fix a day for hearing before said Board where objections to such removal may be heard; but the decision of said Board shall be final and conclusive on the party of the first part who hereby expressly waives any right to have such exercise of discretion reviewed by any court.

(5) The party of the first part agrees to pave between the rails of said track and for eighteen inches on both sides thereof, to the entire satisfaction of the second party, and in case said tracks and pavement or either thereof shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair, reconstruct, or remove same, failing in which, after notification in writing of ten (10) days, said Board may do or cause the same to be done at the expense of the said party of the first part and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violation of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this permit, provided, however, that the same may be terminated by said Board as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled "An act concerning municipal corporations," approved March 6, 1905, and of all acts amendatory thereof or supplemental thereto, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby grants and duly permits said party of

the first part to exercise the right, privilege and authority to lay and maintain an additional sidetrack or switch across Olin Avenue in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

IN WITNESS WHEREOF, We have hereunto set our hands

SWITCH PERMIT

GENERAL ORDINANCE No. 80, 1944 (AS AMENDED)

AN ORDINANCE approving a certain agreement and permit granting the Ohio Oil Company the right to lay and maintain a side-track or switch from the intersection of the east right-of-way line of Olin Avenue to the center line of Olin Avenue, according to the blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit: on the 31st day of October, 1944, The Ohio Oil Company, 121 E. Maryland Street, Indianapolis, Indiana, filed his petition before the Board of Public Works and Sanitation of the City of Indianapolis, as follows:

PETITION

TO BOARD OF PUBLIC WORKS AND SANITATION,

City of Indianapolis.
Gentlemen:

We do, hereby, petition to the Board of Public Works, City of Indianapolis, for permission to construct and maintain the portion of our proposed sidetrack which will cross Olin Avenue north of Eleventh Street as shown on the attached sketch. The siding that we are applying for is to serve the new pipeline terminal station which we are constructing on the parcel of land bordered on the north by Sixteenth Street, on the east by Olin Avenue, on the west by Little Eagle Creek and on the south by the private road owned by the City of Speedway, said private road being the abandoned right of way of the old traction line which lies north of and adjoining the Peoria & Eastern Railroad. The above said parcel of land lies in the City of Speedway, however, the center line of Olin Avenue is also the corporation line between the City of Indianapolis and the City of Speedway.

NOW, THEREFORE, This agreement made and entered into this 31st day of October, 1944, by and between The Ohio Oil Company, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works and Sanitation, party of the second part.

WITNESSETH: That the party of the first part, being desirous of securing a permit for a right of way for a sidetrack or switch from the intersection of the east right of way line of Olin Avenue to the center line of Olin Avenue, said center line being the corporation line of the City of Indianapolis, in the City of Indianapolis, which is more specifically described as follows: The center line of the switch will intersect the east right of way line of Olin Avenue approximately twenty feet north of the center line of the Peoria & Eastern Railroad, and will intersect with the center line of Olin Avenue approximately thirty feet north of the center line of the Peoria & Eastern railroad. The length of the portion of track for which permission is requested is as follows: Total track length to be thirty feet more or less, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, he will lay, construct, maintain

and pay all costs and expenses either now or hereafter connected with said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, maintained, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works and Sanitation of the City of Indianapolis, and to all laws and ordinances, adopted and enacted pursuant to the police powers of said city.

(2) Said track and switch shall be laid upon such grade as shall be established by said board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said board, and shall be made to conform in all respects with any ordinance passed by the Common Council, or with any resolution or resolutions made by said board, for the elevation or depression of said track, or tracks; provided further that all the costs thereof shall be paid by the said party of the first part, who hereby waives any division of such costs as now or hereafter provided by any statute, or otherwise.

(3) The crossing where said track intersects, shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said board, made for any cause affecting the interest of the city or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said board shall in no wise become a trespasser. Said notice shall fix a day for hearing before said board where objections to such removal may be heard; but the decision of said board shall be final and conclusive on the

party of the first part who hereby expressly waives any right to have such exercise of discretion reviewed by any court.

(5) The party of the first part agrees to pave between the rails of said track and for eighteen inches on both sides thereof, to the entire satisfaction of the second party, and in case said tracks and pavement or either thereof shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair, reconstruct, or remove same, failing in which, after notification in writing of ten (10) days, said board may do or cause the same to be done at the expense of the said party of the first part and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance, or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violation of any of the provisions of this instrument by said party of the first part. or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this permit, provided, however, that the same may be terminated by said board as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled, "An act concerning municipal corporations," approved March 6, 1905, and of all acts amendatory thereof or supplemental thereto, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby grants and duly permits said party of the first part to exercise the right, privilege and authority to lay and maintain an additional siderack or switch across Olin Avenue in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

IN WITNESS WHEREOF, we have hereunto set our hands this 14th day of September, 1944.

INTRODUCTION OF RESOLUTIONS

By Councilman Schumacher, Kealing, Dauss, Brown, Meriwether, Manly, Worley and Bowers.

RESOLUTION No. 4, 1944

Whereas, Because of inquiry from the legal profession, and requests from the judiciary of this city and county, it is the opinion of the Common Council that there is urgent need for a revision and codification of the City Ordinances, and that in fact such need is manifest almost daily; and

Whereas, It has been the intention of this Council, in connection with such revision and codification, to seek information from various cities and from other sources relative to ordinances which may be desirable for Indianapolis, particularly such ordinances as would increase the revenue of the city; and to the extent that the same may be necessary, to seek additional legislative authority for such purpose; and

Whereas, Only a few weeks remain before the legislature convenes, immediate consideration should be given by the Council to such matter of new legislative authority; and

Whereas, Whatever may be finally prepared, to be of any force or effect, must be the official product of the Common Council, acting in its legislative capacity, and that anything done by others in connection therewith could be only so much information and advice; and

Whereas, The Mayor, some months ago, after vetoing an ordinance passed by the Council, appropriating funds for preparing the needed revision and codification of city ordinances, publicly stated that such revision and codification could and would be undertaken and pushed to an early conclusion by the city legal department; Now, Therefore,

Be It Resolved, by the Common Council of the City of Indianapolis, that for the purpose of enabling the Council to promptly proceed with consideration of the matters aforesaid, the Mayor be and is hereby requested to submit to the Common Council forthwith, a statement of work actually done up to this time in revising and codi-

fyng the City Ordinances, and of the present status of the work, and of the date when the completed revision and codification of the City Ordinances will be submitted to the Common Council for its information and consideration.

Ransom, John Schumacher, Herman Bowers, W. J. Boothe, Cleo Blackburn, Otto Worley, Doctors Paul Batties, Charles Myers, R. B. McArthur, Herman G. Morgan, Lucian Meriwether, Rev. R. T. Andrews, and Mrs. Meredith Nicholson, Jr.

The meeting was called for the purpose of discussing a historical review of the work which Flanner House had conducted in the community for the past forty-seven years, including the cooperating program with the City Health Department in conducting health clinics for the past thirty-five years.

The need for extending the activities of the health center program. The request for federal funds to erect and equip a new building for augmenting the program.

A progressive report on the request for a grant from the federal government and the city's contribution as a match fund in order to secure the federal grant.

The report that the government had authorized a grant for \$74,000.00 which would require an appropriation of \$56,000.00 on the part of the city to assist in erecting and equipping a new building.

A general discussion as to what scope the health center was expected to cover, and the definite understanding of those present that its activities would be confined entirely to the work and program of a health center conforming to the program which had been conducted for the past thirty-five years.

At the conclusion of the meeting, Mr. Harry V. Wade, moved that this public meeting go on record as indorsing a diagnostic and health center, and with definite understanding that such a center should not be limited to any class, race, or creed. The motion was seconded by Mr. F. E. DeFrantz, and unanimously carried by consent.

It was suggested by those present that the Chairman of the meeting, Doctor Herman G. Morgan, be requested to inform the City Council of the motion which had been passed, and that publicity be released on Monday, December 4, 1944, relative to the meeting and the program which had been discussed along with the final decision reached at the public meeting.

Which was seconded by Mr. Dauss and was passed by the unanimous vote of the Council.

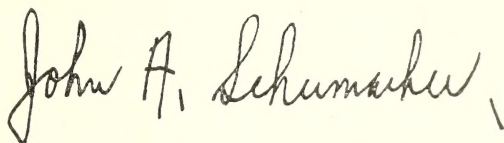

On motion of Mr. Kealing, seconded by Mr. Bowers, the Common Council adjourned at 9:00 p. m.

We hereby certify that the above and foregoing is a full, true, and complete record of the proceedings of the

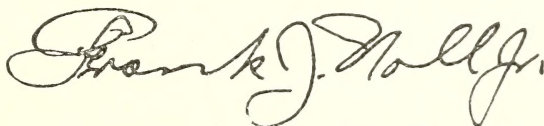

Common Council of the City of Indianapolis, held on the 4th day of December, 1944, at 7:30 p. m.
